[Links in footers go to book overview videos from The Bible Project]

This guide includes several components for each day. First, there is a question with a relevant Bible reference that the question is based on. There is also a link you can click to play the “song of the day”. The author wrote all the songs. You can find lyrics for them at https://obeygc2.com/lyrics. There are also Bible chapters listed, which are to be read each day to complete the Bible in a year (with Psalms and the New Testament read twice in the McCheyne version). There are also Chronological and Canonical order versions.

I suggest you incorporate the use of the SOAPS Journal app (https://obeygc2.com/soaps-journal) with your daily reading. I also suggest using the Prayer Pathway app (https://obeygc2.com/prayer-pathway). The Hupakouo app (https://obeygc2.com/hupakouo) is also recommended if you wish to deepen your awareness of

listening to God's voice. These apps are also by the author.

If you want to grow in your ability to make disciples, I suggest using Zúme training (https://zume.training). That content is also by the author.

This book is available for free electronically in nine versions. (Three reading plans with links to the Bible passages in three translations each (NASB/NIV/ESV). You can find these at https://obeygc2.com/reading-plans.

Please bear in mind that reading Scripture is not enough. You must apply it. Jesus' teaching in Matthew 7:13-27 is a graphic reminder of that.

I pray you will be like Ezra, who loved Scripture and determined in his heart to study the law of the LORD, obey it, and teach it (Ezra 7:10).
